

About OKEVENTS

OKEVENTS is a global partner in corporate event management. We design and execute conferences, trade shows and executive events with international standards and flawless local execution. Our mission is to transform ideas into impactful experiences for businesses worldwide.

Our Services

We offer a comprehensive portfolio tailored to the needs of international corporations:

Conferences & Summits: Agenda design, speaker management, executive hospitality and accreditation.

Trade Shows & Exhibitions: Stand design & build, exhibitor coordination, registration and access control.

Corporate Events: Product launches, roadshows, executive dinners and hybrid experiences.

Technical Production: Audio, video and lighting, live streaming, interpretation and interactive screens.

Consulting & Strategy: Event strategy, ROI framework, compliance and sustainability consultancy.

Global Reach

Our operations span all major regions with a balance that demonstrates our international footprint.

Americas 40%

EMEA 35%

APAC 25%

Our Differentials

- **Compliance:** We adhere to GDPR, health & safety and sustainability standards.
- **ROI & Reporting:** We define and track KPIs to maximize business impact.
- **Global Network:** We work with trusted partners and suppliers worldwide.

Our Process

We approach every project with a structured methodology:

- ① **Discover:** We listen to your objectives and requirements.
- ② **Design:** We craft a bespoke concept and plan for your event.
- ③ **Deliver:** We execute with precision and manage every detail.
- ④ **Debrief:** We evaluate performance and provide comprehensive reporting.

Clients & Experience

Our expertise spans multiple industries including technology, finance, healthcare and government. We collaborate with leading corporations and institutions to deliver exceptional experiences.
